

Commercial Temporary Power Application & Agreement

Project Address _____

Applicants Statement:

In consideration for authorizing the appropriate utility company to energize the facility; we agree to and understand the following:

1. Temporary Power fees must be paid prior to release of Temporary Power.
2. I/We will have the appropriate Fire Authority approve this application prior to submission.
3. Temporary Power is to be used only for the purpose(s) identified below and I understand that I/We are responsible to not allow any person or sub-contractor to violate this agreement or to use power in a hazardous or unauthorized manner.
4. I/We understand that this approval for Temporary Power is for a maximum of 30 days. Extensions of time will require re-application and additional fees.
5. I/We understand that if the building is occupied before a certificate of occupancy has been issued or any portion of this agreement is violated that the Building Official will have the right to direct the utility to terminate electrical service without notice. Furthermore, I/We understand and agree that should the Building Official exercise such right, Pinellas County BDRS will not be responsible for any damage or cost which may result from the exercise of such right. Also, in the event any third party claims damage from the exercise of such right, I/We agree to jointly and individually indemnify and hold harmless the Pinellas County BDRS from all such damages and cost, including attorney's fees.
6. I/We will lock off access to uncompleted areas and/or lock off service to areas where exposed wiring has not been completed.

-
- Interior Lighting Purposes. (Where the length of extension cords exceeds 500 feet)
